## NWFC SCHOLARSHIP POLICY

The NWFC Scholarship Fund is available for all members regardless of age, race, or gender. Scholarships are granted based on need and availability of funds. The amount of time the member or his/her family has dedicated to volunteering at NWFC will be taken into consideration when processing the scholarship request.

Members with accounts in arrears (3 months or more) must make arrangements to repay the arrears before applying for a scholarship and must be current with their payments under any repayment plan to receive any funds.

Scholarship requests will be processed on a first-come, first-served basis. Submission of a request form is in no way a guarantee that a scholarship will be granted. Requests will be held in the strictest confidence.

The scholarship fund may cover no more than one-half of the class fees. The remainder will be the responsibility of the fencer or his or her parent or guardian. Amounts awarded will vary depending on the number of requests received. If the fencer is unable to meet these criteria or additional scholarship funds are needed, the request will require approval of the NWFC Grant Committee.

An individual camper may receive only one scholarship per calendar year. Funding for camps will be limited to tuition only.

Submission of a request form authorizes the Scholarship Committee to verify the information contained therein and to confirm that the membership, enrollment, financial standing, and the volunteering requirements have all been met.
