Here are event details to help get the most from your visit to NWFC and the Beaverton area.

Facility Hours

Doors open daily at 7 am.

Arrival and Plentiful Parking

If driving, please drop off your fencer at the Main Entrance then find parking in one of our four parking areas. We have almost two hundred parking spots noted in yellow on the attached parking map.

Event Check-in

Please proceed to the check-in area and scan your USA Fencing membership card. A staff member will be available to assist if proof of birth is required or for any other special circumstances. Acceptable proof of birth includes a birth certificate, passport, or other government-issued id.

Equipment Tests

All lames, masks, saber cuffs, and body cords must be tested. Arrive early to check your equipment and consider completing checks the afternoon before your event. During morning hours, we will give priority to morning events with afternoon events available after earlier events have begun. Testing hours are:

Thursday | 6 pm to 9 pm

Friday | 7 am to 6 pm

Saturday | 7 am to 6 pm

Sunday | 7 am to 6 pm

Monday | 7 am to 4 pm

Equipment Sales

The on-site Pro Shop carries primarily Absolute Fencing, some Leon Paul weapons, and other equipment. Please enquire in advance if you are looking for something specific at front.desk@nwfencing.org.

Event Format & Points

All events will be one round of pools with 100% promoted to a Direct Elimination (DE) table. National points awarded to the top 40% of the competitive field (rounded up to the next higher integer) to a maximum of 64th place. National points only awarded to events with at least three fencers competing.

Close of Registration

Registration will close for each event at the published time. After closing, the names of those not checked-in will be announced with a one-minute warning to report to the bout committee.

Live Results

[Fencing Time Live](#) will display live results throughout the event.

Photo Sharing

We would love to see your event photos; please send to share@nwfencing.org and use the following: #nwfc or #cascadeclashsync. Find us on Facebook, Instagram, and Twitter as NWfencing.
