

Northwest Fencing Center Financial Aid Application

We are excited to have you join our fencing family! Applicants must apply for financial aid every year. Please complete a separate application for each fencer seeking assistance. Fill out the parent one section if you are an adult fencer seeking financial aid.

In order to determine the level of financial aid available for your fencer, include a copy of the first two pages of your most recent 1040 Federal Tax Return.

There is a \$40 processing fee for each application.
